

# Headset & Speakerphone Solutions

EPOS | SENNHEISER

## WIRELESS DECT HEADSETS

If you need to move freely around the office and building, while still being connected, these professional wireless DECT headsets deliver legendary EPOS sound and all-day wearing comfort for increased productivity.

## WIRELESS BLUETOOTH® HEADSETS

Whether you are working in the office, on the move, or from home, EPOS' professional Bluetooth® headsets provide the perfect blend of high quality sound, wireless communication freedom and exceptional wearing comfort.

## WIRED HEADSETS

Ideal for contact centers, offices and Unified Communications professionals, our series of wired headsets offer a choice of wearing styles providing you with all-day comfort, robust design and top quality sound.

## MEETING SOLUTIONS

Connect to mobile phones, tablets or softphones/PC via Bluetooth®, USB/USB-C or 3.5 mm jack and get more out of your conferences with these flexible, mobile conferencing solutions.
